

## SMG Flower Fundraiser

**How it works:** Customers purchase vouchers for the number of flats, hanging baskets and pots they would like. Then, they bring the vouchers to Gleis and pick out the exact flowers they want for each voucher. Not sure if they want marigolds or petunias right now? Doesn't matter. They pay for a flat, and they can choose the kind of flower later. Or, they can even do half and half. Or pick out 12 different vegetable plants. The possibilities are endless!

**Order due date: April 20, 2015**
